A white tube of hair color pigment. The tube has a white cap on the left and a ribbed end on the right. A blue brushstroke graphic is on the tube, with the text "sky blue" written vertically in white. Below the graphic, the text "Pure Pigments" is written in a bold, sans-serif font. Underneath that, the product name is repeated in three languages: Spanish, English, and French. The brand name "tonology" is printed in a large, lowercase, sans-serif font, with "PROFESSIONAL" in smaller, uppercase letters below it. The "y" in "tonology" is a stylized outline.
