

# Own Genuine Style

Your barbershop deserves  
the most complete  
barber line

**B**eardburys is born in response to the latest trends in men's styles by developing a line of products that adapt to the most demanding techniques of barbers to create any styling in hair, beard or mustache. Beardburys is a full concept for barbers, that offers the most complete product line. Beardburys is a culture! A new way of knowhow based on the spirit of sharing.

Pomades with different levels of fixation and shine to create hairstyles with great versatility; fixation products to adapt to all styling techniques. Hair care products with wide variety of shampoos that adapt to their rhythm of life. Products for beard & mustache based on natural ingredients. New services for barbershops thanks to our sulfate-free, ammonia-free color shampoos. Discover the best special innovation of the market, Dr. Bald. A revolutionary line that creates a new category of products: the first specific treatment to care bald heads. Tools, accessories, merchandising material...

*Feel the genuine barber style!*

# Line for bald heads

## DOCTOR BALD

### Doctor Bald · Shampoo

Purifying shampoo specifically formulated to clean and care of the scalp. Ultra-gentle formula, free of sulphates and parabens, containing natural extracts that soothe and relax the scalp, providing a depth clean and the removal of sebum. PATENTED ultra-clean applicator.

Way of use: apply 3 to 5 dispenser pushes of product directly onto the head. Use the Ultra-clean applicator to carry out a circular massage. Rinse with water. Enjoy the experience of a sparkling clean head.

All the media talk about this: written and digital press, radio, television, blogs!!

### Doctor Bald · Lotion

Hydrating cleansing lotion with a fresh and calming effect. Ultra-gentle paraben-free formula, containing natural extracts that soothe and relax the scalp. Suitable for daily use. PATENTED Ultra-Clean applicator.

Way of use: apply 4 to 8 dispenser pushes of product directly onto the head. Use the Ultra-clean applicator to carry out a circular massage. Dry with a towel. Enjoy the experience of a sparkling clean head.

# Hair Care

100/330/1000ml

Ginseng

Thyme Extract

Refreshing Mint

## Clear Shampoo

Purifying and calming shampoo that effectively removes excess oils and prevents microbe growth. Gentle formula with extracts of thyme, mint and ginseng. Respects the pH balance and reduces itching and irritation. Clean, glossy, flowing hair.

100/330/1000ml

Aloe Vera

Tea Tree

Refreshing Mint

## Vital Shampoo

Anti-dandruff shampoo for sensitive scalps, with peeling effect. Boosts oxygenation of the scalp, reduces flaking and fights the micro-organisms that cause dandruff. Formula with aloe vera, tea tree and mint extracts. For a fresh, healthy and itch-free scalp.

100/330/1000ml

Citrus

Essential Oils

Refreshing Mint

## Freeze Conditioner

Refreshing conditioner based on citrus fruits and essential oils with moisturising and toning action. Hair is left soft, hydrated and free of frizz. It can be used after shampooing for a fresh effect and to boost hydration, or before using Vital anti-dandruff shampoo to allow its humectant action to prepare the scalp.

100/330/1000ml

Paraben-Free

Thyme Extract

Refreshing Mint

Aloe Vera

## Fresh Shampoo

Shampoo with menthol extract that offers a refreshing sensation for the scalp. Ideal for using after doing exercise, also due to its purifying thyme. Its formula, rich in Aloe vera, conditions hair leaving it softer and nourished. Free from parabens.

100/330/1000ml

Caffeine

Oxcell

Refreshing Mint

Aloe Vera

## Densify Shampoo

Thickening shampoo that helps to stop hair loss. Its formula is rich in caffeine which activates microcirculation and encourages the cellular oxygenation of the scalp. Aloe vera conditions hair leaving it soft and nourished. Mentholated aroma for a fresh sensation. Free from parabens.

100/330/1000ml

Vitamin E

Sulfate-Free

Refreshing Mint

Thyme Extract

## Daily Shampoo

Soft frequent use shampoo, sulfate- and paraben-free, for maximum scalp care. Antioxidising vitamin E for healthier hair. Mentholated aroma for a fresh sensation. Contains thyme to purify and deep clean. Suitable for sensible scalps.

100/330/1000ml

Corrective Pigments

3 Essential Oils

Refreshing Mint

Thyme Extract

## Grey Shampoo

Shampoo specifically for white and grey hair. Contains shade-highlighting pigments. Enriched formula with a refined mix of oils, Aloe vera and thyme to nourish hair and leave it silky, purifying the scalp.

# Hair Pomades

15ml / 100ml

## Fiber Paste

Fibrous paste that gives hair texture and density with a matte finish. Total control, ideal for short hair and styles with movement.

Application: apply a small amount on the hand and work it until it becomes transparent. Apply to dry hair and shape it.

Fixation ★★★★★ Shine ☆☆☆☆☆

15ml / 100ml

## Spider Pomade

Elastic wax to fix any style for longer and give hair texture. Semi-matte finish.

Application: apply a small amount on the hand and work it until it becomes fibers. Sprinkle on dry hair and let it set.

Fixation ★★★★★ Shine ★☆☆☆☆

15ml / 100ml

## Matte Pomade

Authentic barber shop wax with a matte finish. Medium hold for control with flexibility. Remove it easily with water. It leaves no residue.

Application: apply a very small amount on the hand and rub it for a few seconds. Apply to dry hair and shape it.

Fixation ★★★★★ Shine ☆☆☆☆☆

15ml / 100ml

## Natural Pomade

The ideal pomade for styling your hair and giving it a light sheen. Natural effect with medium hold that allows for movement. Remove it easily with water.

Application: apply a small amount on the hand and rub it for a few seconds. Apply to dry hair and shape it.

Fixation ★★★★★ Shine ★☆☆☆☆

15ml / 100ml

## Strong Pomade

Create natural, flexible styles or use a comb for even greater definition. It is water-soluble and easily removed by washing, leaving no traces of product.

Application: apply a small amount on the hand and rub it for a few seconds. Apply to dry or wet hair and shape it.

Fixation ★★★★★ Shine ★★★★★

15ml / 100ml

## Extra Pomade

Break every rule with the most daring styles: there are no boundaries. Extremely long-lasting, one application lasts 24 hours. Shine and natural finish.

Application: apply a small amount on the hand and rub it for a few seconds. Apply to dry or wet hair and shape it.

Fixation ★★★★★ Shine ★★★★★

100ml

## Color Hair Wax - Black

Color wax to cover or hide the first signs of grey hairs. Medium hold. Lasts until hair is washed. Natural glow. The more quantity, the more coverage.

Application: apply a small amount on the hand and rub it for a few seconds. Apply to dry hair and shape it.

Fixation ★★★★★ Shine ★☆☆☆☆

100ml

## Color Hair Wax - Brown

Color wax to cover or hide the first signs of grey hairs. Medium hold. Lasts until hair is washed. Natural glow. The more quantity, the more coverage.

Application: apply a small amount on the hand and rub it for a few seconds. Apply to dry hair and shape it.

Fixation ★★★★★ Shine ★☆☆☆☆

100ml

## Color Hair Wax - Grey

Color wax to cover or hide the first signs of grey hairs. Medium hold. Lasts until hair is washed. Natural glow. The more quantity, the more coverage.

Application: apply a small amount on the hand and rub it for a few seconds. Apply to dry hair and shape it.

Fixation ★★★★★ Shine ★☆☆☆☆

# Fixation

100ml / 250ml

## Dry Wax - Liquid hair wax

Styling tonic with a liquid wax base, ideal for creating looks with a hairdryer or heat tools. It adds volume and texture so you can create big styles. Medium to long hold. Non-greasy formula.

Application: apply to wet hair using a comb and set your style with a hairdryer. Glossy, wet-look finish. Brush for a natural finish. Reactivate with water.

Fixation ★★★★★ Shine ★★★★★

100ml / 250ml

## Ocean - Sea salt spray

Sea salt spray to create tousled styles with a matte finish. Create the easiest surfer look with a strong hold that will last all day. Ideal for long and medium-length hair.

Application: spray evenly over hair and shape your chosen style with your hands.

Fixation ★★★★★ Shine ☆☆☆☆☆

100ml / 250ml

## Slight - Styling Cream

Styling cream with a light hold and a natural finish. Adds density and volume to your hair. Its creamy texture makes it easy to apply. Ideal for giving body to fine hair and controlling frizz in curly hair.

Application: spread a small amount over the hands and apply evenly to dry or wet hair, then comb through.

Fixation ★★★★★ Shine ★★★★★

400ml

## Boomer Extra-strong Lacquer

Set any hairstyle or create volume and make it last all day long with ultra-fast drying. It gives hair a natural finish and protects it from humidity. Light: it won't flatten or weigh your style down. It brushes out easily, leaving no residue. Two sprayers are included to adapt to every styling technique. No contains c.f.c.

Application: apply to dry hair. Spray in short pumps from 15 cm away to set sections using the concentrated sprayer, or apply an all-over spray from 30 cm away to set the whole hairstyle using the diffuser sprayer.

Fixation ★★★★★ Shine ★★★★★

9g

## Hover Volumising Powder

Volumising and mattifying powder that allows you to add body and texture to fine hair and volume to styles, giving immediate maximum uplift. Matte finish in a gravity-defying effect with natural, flexible hold.

Application: hold down the applicator and shake evenly over dry hair at a distance of 5cm. Can be used in combination with other Beardburys styling products.

Fixation ★★★★★ Shine ☆☆☆☆☆

## Shampoo for Beard & Mustache

Specific shampoo for cleaning the face and beard. The sulfate-free formula guarantees gentle care for a soft beard and protected skin.

Application: moisten the beard with warm water, massage with shampoo and rinse abundantly. Remove moisture and comb before it dries completely.

## Shaving Cream. Anti-irritation

Shaving cream with anti-irritation effect thanks to its natural principles that guarantee softness and maximum hydration. Its extremely creamy texture facilitates the sliding of the blade or knife.

Application: put a small amount on the brush and apply on the area to be shaved with circular movements until covering all the hair.

## After-Shave Balm

Maximum cooling sensation on the skin after shaving. Soothing and regenerating balm with a rich formulation of hyaluronic acid with antioxidant action.

Application: apply gently on the skin after shaving in circular motions with the fingertips.

50ml

## Serum for Beard & Mustache

Serum for beard and mustache with a delicate composition based on essential oils of plants that provides deep hydration and a softness of hair.

Application: apply a small amount with the palms of the hands over the beard and mustache, spreading the product well from top to bottom.

## Outliner Emulsion - Precision Balm

Transparent precision lotion for visible shaving. Hydrates and conditions the skin thanks to the properties of aloe and its combination of essential oils.

Application: apply to the zone to be trimmed. Shave and spread the rest of the product with your fingers. No need to rinse.

## Wax for Beard & Mustache

Soft and durable fixation wax for mustache and beard. Create all styles and textures without limits.

Application: take a small amount, heat and mold with the palms of the hands exhaustively until you get the desired texture. Apply and shape the desired shape with your fingers.

50 uds.

## Barber Mask

Disposable mask that protects the eyes of the client during the cut of the beard. Light and soft. Manufactured in cellulose.

## Blade Comb

Create the most daring hairstyles with this original vintage style barber's comb with Swiss blade design. Automatic opening and position lock.

Way of use: slide down small button to unlock. Caution: do not open near to face.

## The Perfect Beard Comb

Comb for beard. Shape the line of the neck and cheek of your beard in minutes. Easy, simple and always perfect.

Mode of use: place it on the neck, cheek or knob line and use a trimmer, a razor or scissors to trim the beard to the desired shape.

## Color

### Color Shampoo for hair, beard and mustache

Semi-permanent colour with variable coverage in shampoo format. Applicable on hair, beard and mustache. It covers in just 5 minutes with a natural finish (intense finish with 10 minutes exposure). No root effect as it gradually disappears with the washings. Formula free of ammonia and parabens. Easy application. Soft perfume. Each box includes the color and the activating shampoo.

Available tones: black (2N), gray (9G), dark brown (3N) and light brown (5N).

Application: pour the color into the shampoo bottle, close and shake well. Using gloves, apply to hair from the roots. Hair should be clean and dry. Leave on for 5-10 minutes, depending on the desired result. After this time, emulsify with your hands like a shampoo and rinse with plenty of water.

# Professional Tools

- Powerful Motor
- Lithium Battery - 3 hours
- Cordless Operation
- Zero-Overlap Blades
- Hypoallergenic Blades

## Fade PRO Professional Clipper

Professional clipper specially designed for fade-technique styles. Cutting length adjustable from 1 to 3.5mm. Also includes 4 changeable plastic combs of 3, 6, 10 and 13mm. Ease of use and quickly adjustable clipping lengths makes them an extremely versatile and essential tool for any barbering technique. Powerful 5500 rpm motor suitable for intensive and continuous use in barber shops. Their two stainless steel blades are hypoallergenic and resistant, with zero gap. Their lithium battery allows them to work cordlessly for 3 hours after a full charge (charge time: 3 hours). Weight: 260g. Cable length 1.4m.

- Lightweight
- Lithium Battery - 1.5 hours
- Cordless Operation
- Zero-Overlap Blades
- Hypoallergenic Blades

## T-Blade Detailer Trimmer

Specially designed for precision cutting and trimming around the face, sideburns and neck area. Suitable for hair and beards. Its T-blade allows number 0 cuts and its reduced size and weight make it extremely easy to manage and ideal for hair-tattooing. Adjustable cutting length from 0 to 4mm by attaching one of the 3 changeable plastic combs of 2, 3 and 4 mm. Powerful 5500 rpm motor suitable for intensive and continuous use in barber shops. Its two stainless steel blades are hypoallergenic and resistant. Its lithium battery allows it to work cordlessly for 1 hour 30 minutes after a full charge (charge time: 3 hours). Weight: 130g. Cable length 1.4m.

- 45° Height Structure
- ION Battery - 80 min
- Cordless - USB Charge
- Hypoallergenic foil

## ShaverPRO Professional Shaver

Professional shaver for head and facial hair. Provides a super-close and long-lasting shave thanks to its double foil: dual-blade assembly (45°) for greater control and comfort. Ideal for fade and tapered haircuts. Each foil contains an ultra-fine blade: the first is a Hitachi blade for precision (cuts the finest of hair) and the second blade is for a soft cut. Hypoallergenic safety guards ensure a smooth cut. Includes a detachable trimmer for beards. Lithium-ion batteries with USB charger. 120-minute charge allows for 80 minutes of runtime. Also works plugged in. Ultra-light: only 95g. For professional barber use.

## Barber Razor - Deluxe Edition

Made of stainless steel. Its lightness and ergonomic shape make it the ideal tool for traditional shaving. It guarantees hygienic, closer shave and with less irritation on the skin. Mode of use: apply shaving cream or outliner emulsion and shave leaving it to slide, without pressing.

## Barber Razor - Eco Safety

Made of stainless steel. Its lightness and ergonomic shape make it the ideal tool for traditional shaving. It guarantees hygienic, closer shave and with less irritation on the skin. Mode of use: apply shaving cream or outliner emulsion and shave leaving it to slide, without pressing.

## Barber Razor - Inox Safety

Made of stainless steel. Its lightness and ergonomic shape make it the ideal tool for traditional shaving. It guarantees hygienic, closer shave and with less irritation on the skin. Stainless steel handle. Mode of use: apply shaving cream or outliner emulsion and shave leaving it to slide, without pressing.
